TD Bank has almost 1,300 locations along the coast of the eastern United States where customers can manage financial transactions. The TD branch locator can help you navigate to the nearest branch or ATM, and it can also show you where to find TD locations in Canada. How to Use the TD Branch Locator To use the branch locator tool on the TD website, enter your city and state or your zip code, then select your location from the popup list that appears. You can select check boxes if you need specific services, such as a drive-up window, Sunday hours, a place to exchange foreign currency, or an ATM that accepts deposits. If there are no locations nearby, you can expand your search by entering only the state you are in, or the neighboring state if necessary. When you choose your destination, there's a link available to view the TD hours and direction to get to the selected bank or ATM. The Experience of Visiting a TD Location During TD branch hours, there are a few noteworthy things the bank does to enhance customer experience for patrons coming in to interact with bank staff members. The bank has extended hours and is open on Saturdays and Sundays. They also invite customers to enjoy lollipops while banking and keep the pen when the transaction is complete. Dogs are also welcomed in TD branch locations. When the branches are closed, customers still have access to round-the-clock live customer service agents over the phone. ATMs at TD Bank TD ATMs can be found using the bank's locator tool. If you're looking for an ATM that offers a specific function, the options available to select in the locator tool are: walk-up service, drive-up service, envelope-free deposits and accepts deposits. This makes it easy to find a money machine that delivers the service you need in the way that's most convenient for you. TD Online Banking Services TD's online banking service lets you manage your money using your computer and an internet connection. It frees you up from the need to visit an ATM or one of TD's branch locations. You can use the online banking service to perform tasks such as sending money, paying bills and making mobile deposits. TD Mobile Banking App The TD mobile banking app lets you enjoy online banking's convenience using your smartphone or tablet. It works with Apple and Android devices, and you can use it from anywhere with internet service. If you have a TD online banking account, you use that to log into TD's mobile banking service. If you don't have an online account, it instructs you to choose a username and a password so you can use the app. MORE FROM ASKMONEY.COM Re: Free Roland TD-11 DrumKits Here is the second kit for the Roland TD-11. Its name is Reel kit and it's a good kit for Ballads, Pop, Country and many other genres. You can find it at this link: These files have been checked with Virus Total, but feel free to double check them with your antivirus. I hope you like this kit too. Many other kits to come. Last edited: Jan 24, 2014 [SIGPIC]/[SIGPIC] Dear mr. Peluche, I want to try out your free kits to see how it works on my set. Every time I click on the link I got the textbox : This is a password protected page. Please enter your login and password below. Login: Password: My question: do I have to sign up somewhere and so...where can I do this? Regards Ernst-Jan Home to two of the city's most storied institutions, the NBA's Celtics and NHL's Bruins, the Garden also plays host to top-shelf touring acts spanning all categories and genres. Tickets are available in person from the box office, or from Ticketmaster. If you strike out on both fronts, there's always the secondary market, including the hard-bitten scalpers who mostly stick to the areas around Causeway St. The venue sits atop busy North Station, so allow for heavy crowds during the evening rush hour. Hey, I'm Piero Peluche, an Italian multi-instrumentalist producer and I would like to share with you my personal drumset n°28 named Loud for the TD-11 module. You can find it here: I hope you dig it. Piero. First of all,welcome to the forum! BTW,great kit! Scanned with Avast, no threat found. Welcome to the forum, and thanks for sharing the kit! It's time for the second kit for the Roland TD-11. The name of this kit is Reel kit and it's a good kit for Ballads, Pop, Country and many other genres. You can find it at this link: You'll find some audio examples on the site. These files have been checked with Virus Total, but feel free to double check them with your antivirus. I hope you like this kit too. Many other kits to come. Are you tired of your TD-11 factory sounds? The "Raw Studio Kit" drum kit bundle includes 6 "raw sounding" custom modelled studio drum kits only for the Roland TD-11 Soundmodul. These custom modelled drum kits mirror the sounds of popular e-drum sample libraries like EZdrummer and Superior Drummer. The custom kit bundle includes a PDF - step by step Installation Guide and you will also get an access link to an installation Tutorial Video. You need a USB Flash Drive to load the custom kits into your Roland TD-11 module. This is a digital download product. Please contact me in case you have trouble with the download: info@v-drumtips.com Click here to buy! Q: Are these sounds samples? A: No, these sounds are modified instrument sounds of the TD-11 that mimic samples. Q: Is this a physical box? A: No, this is a digital product that can be downloaded. Q: How does the purchase work? A: You click the picture or this link, a PayPal sales page pops up, you type in your PayPal details and as soon as the payment is processed, an automatic download starts. You unzip the product folder and open the included PDF document to follow the installation guide or click the link in the document to open the installation video. Q: Can I modify these custom drum kits? A: Yes, you can edit the kits and instruments the way you like. This is even covered in the instruction sheet and in the tutorial video. You will keep the original files and can always go back to the original kits. Q: Do you offer a refund? A: No. Q: What computer skills do I need for the installation? A: You need to know how to unzip a compressed file. Find more information here. Click here to buy! Click here to buy! Customer reviews From: mr.gage On: 24 Feb 2019 not sure what some other dude was smoking but your la studio kit brought my td11k to life. its a new module now sounds just great to me thanks keep up the good work. From: Santiago Jaramillo On: 19 Oct 2018 Does this download work with the Roland TK-11 Electronic Drum Kit? It says TD-11..... sorry just want to make sure it will work before purchase. From: drum-tec Team On: 22 Oct 2018 Hey Santiago, yes, you're right: It is exclusively for the TD-11! Have fun! From: Steve On: 20 Jun 2018 These sounds are it! You guys really paid attention when making these kits, it's like a new module for practically no money at all. I'll definitely buy more from you! Although your demo drummer is a bit humbling... Let's just say his TD-11 grooves more than my TD-11 ;) I'm hooked, give me more! :D From: Jantje On: 18 Jun 2018 Drum-tec helped me very well with the information I had about their product. After service is also sublime - I'll definitely come back for a new drum set. Customer reviews From: Anonymous On: 22 Apr 2021 ist ungläublich, Real Acoustic Sound Edition Roland TD-11 klingt ungläublich, meine Lieblingssets sind: Premier Genista mit einem kraftvollen Sound und das Slingerland 60th mit einem feinen und eleganten Sound, wenn man die Sounds der td11-Fabrik vergleicht, die gut sind, ist die Real Acoustic Sound Edition ein Was aus einer anderen Welt, meine Glückwünsche für die gute Arbeit der Seits, ich bin sehr zufrieden. From: Christian On: 4 Mar 2021 I just purchased today, got the download immediately upon paying, and had it loaded into my TD-11 module with five minutes. These kits blow away anything that was pre-loaded from Roland as well as some I purchased from a competitor. The Acoustic kits sound so so real! For like \$30, it is a steal - great value!! Thanks Drum-Tec - keep up the fantastic work! From: Mike On: 19 Sep 2019 I already have the special sound pack this is based on but I had to scratch an itch and bought this lol... you know what I mean!^^ These kits are magnificent, I highly recommend them and the video blew me away. I didnt notice he was playing the td11 for the intro song it sounded so nice!!! Thanks drumtec! Mike From: drum-tec Team On: 19 Sep 2019
